

Jetson S1

Jetson S1

An acoustic oasis for one. Ideal for a quick call, video meeting or a deep work session to come up with the next big idea. Ergonomic interior and smart wall-mounted add-ons like the phone holder facilitate work and make focusing on the task easier.

Jetson is a family of universal acoustic pods designed to make everyone's work joyful and fruitful. It's truly people-focused: comfortable and customizable through add-on sets to meet your need and vision. Made of extruded aluminum, which makes it the lightest and most environmentally-friendly pod on the market. With its durable construction, no-hassle assembly, effective sound attenuation, and attractive price, Jetson will introduce the benefits of acoustic pods to all.
